# Brief about the trust

MSSM was registered on 10<sup>th</sup> Feb. 1969 with an objective to cater the educational needs of students of Maharashtra State in general and Marathwada region in particular in the field of Agriculture in Various activities in education. It is also implementing the activities which could uplift the rural masses in surrounding villages in Economic, Physical, Social and Psychological aspects to bring overall development of society with available scientific resources and it's planning and management

Extension Education and Research are going on through different institutions like COA, Kharpudi, KrishiVigyan Kendra, Aamchi Shala, Agriculture Polytechnic College and YeshwantraoChavan Maharashtra Open University Study Center

College of Agriculture, Kharpudi, Jalna was established in the year 2008. We have to improve Indias Share of Agriculture in the Global Market equip our young Agri Graduate to become Agri-enterprueners rather than seekers of Government jobs. There is a need to put in place a system where in Agri-graduates are able to earn a livelihood by selling skill of Agricultural knowledge to farmers. The MarathwadaShetiSahayya Mandal decided to strive hard to achieve and to maintain technological leadership as Center of Excellence in different fields thourgh transfer of Agriculture technology various institutions.
